

Tijiya Engineering Pvt. Ltd.

INFORMATION

Tijiya engineering private limited is a metal fabricator and a recognised export house by the government of india. Tijiya engineering private limited had become a recognised manufacturer of various mild steel products i.e fence fittings, foundation bolts, construction stakes, washers, cut rebar and all threaded rods for the construction and fence industry since its inception in 1987.

Our robust infrastructure has made us competent to serve our clients .The state of art infrastructure include following facilities-

- Hot dipped electroplating and galvanising facilities
- Machine shop for pressed steel and structured product
- High intensity threading machines, hydraulic press etc

We strive to make flawless product with various stringent quality check which includes of testing of materials, controlling of surface quality, various measuring instrument for dimension and fitting.

Our Strength

Highly skilled Professional
Well equipped infrastructure
Tested quality and Product

Head Office :

2, Clive Ghat Street,
“ Sagar Estate”
5th Floor, Unit IV & IX
Kolkata - 700 001
West Bengal, INDIA
E-mail : rakeshpoddar@tijiya.com
Ph- 033 22305883 /5905, 22314066/4393

Factories & Warehouse :

Unit - I, 242/1/2, G.T. Road,(N)
Salkia, Howrah- 711106
Unit - II, 2/3, Karalicharan Roychoudhary Road
Belurmath, Howrah- 711202

Electric Furnace & Rolling Mill

29/5, Milestone, Junglepur,
Domjur, Howrah
